

New Prescription Drug Discount Program

Medico Insurance Company has partnered with MedImpact to offer our Medicare Supplement policyholders a new prescription drug discount program that will be effective April 1, 2013. The prescription drug discount program allows our policyholders access to discounts on all of their prescription medicine needs at more than 59,000 participating pharmacies at no charge to them.

Medico will be sending further details to our Medicare Supplement policyholder with a drug discount identification card that will be mailed to them separately by Careington International the fulfillment company for MedImpact.

The MedImpact Prescription Discount program is designed for people who **do not** have Medicare Part D coverage.

If you should have any questions, please contact our Agent Services Department at 800-547-2401.
