MARKETING

Mutual of Omaha has teamed with USADATA, the experts in delivering targeted sales lists to insurance professionals, to bring a reliable, cost-effective, and easy-to-use platform for your mailing and call list needs.

Key Benefits

- Easy access to consumer, business, and new homeowner lists
- All lists are pre-scrubbed against the FTC and State Attorney General Do Not Call Registries and the DMA's Do Not Mail file
- Low pricing (starting under \$.035 per name for Consumer leads) and low minimums (\$50)
- Expert client support available by phone, email, and live chat
- Lists delivered in minutes in both Excel and comma-delimited format
